# Sponsorship

## Show You Understand

Sponsoring at the AEC is more than just sharing your logo with your target market. You are sending a message to the environmental health workforce that:

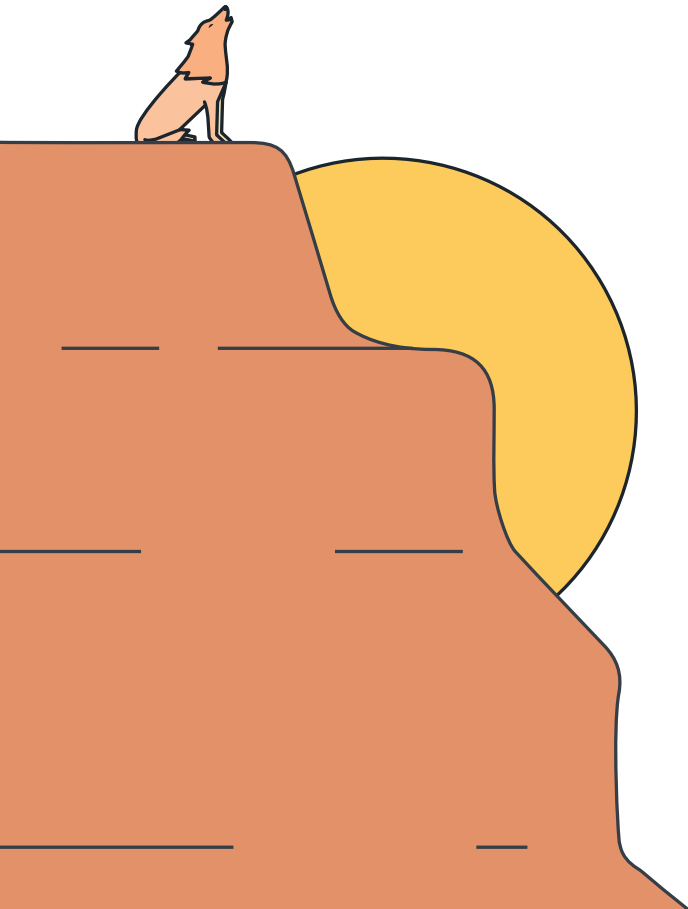

- You support their work by offering your products and services
- You understand their needs by innovating solutions to address the latest issues
- You are available and ready to help

## Stay Top of Mind

Each of our sponsorship options is designed to offer

and opportunities to connect your brand to their work. Choose an existing sponsorship
